Robots are taking over!

Tech Tools for independence

Overview

Everyone can learn how to use tech
Learn about ways to get started

Stories of A.T. in the field
From theory to the real world

App Demos
Watch some apps in action

Future technology
What's around the corner...or already here

Magic, Secrets, Mystery...

No best kept secrets.
Just learning curves.

High Tech born from Low Tech

Greg's first smart phone. Ever.

All support tools based in need of the learner

High Tech born from Low Tech

What was once "High Tech" to you?
