

# MASSACHUSETTS INTERAGENCY TRANSITION TEAMS

## Working Together for Student Success: Massachusetts Interagency Transition Teams Workshop

Do you want to enhance partnerships among school districts, state agencies, and local service providers to improve outcomes for students with disabilities?

During this 2-part virtual workshop, participants will gain knowledge on [interagency transition teams](#), best practices, and why they are critical to successful student outcomes!

**Wednesday, May 19, 2021 | 2-3pm**

### Part 1: What is an interagency transition team and why are they important?

#### Opening Remarks:

- Margaret Van Gelder, Department of Developmental Services
- Amanda Green, Department of Elementary and Secondary Education

#### Featured Speakers:

- Maria Paiewonsky, Institute for Community Inclusion, UMass Boston
- Jerri Roach, Transition Coordinator, Worcester Public Schools

**Wednesday, May 26, 2021 | 2-3pm**

### Part 2: How to start and maintain a successful interagency transition team

- Members of the Merrimack Valley Interagency Transition Team
- Members of the Amherst Interagency Transition Team

### REGISTER:

This workshop is made possible by The Massachusetts Partnership for Transition to Employment (MPTE) which is a systems-change grant funded project of the Massachusetts Department of Developmental Services (DDS). The project is designed to improve employment outcomes for individuals with intellectual and developmental disabilities transitioning from school to adult life.
